

## HBYC PWC Launch Program

### **If you are part of the HBYC PWC Program:**

- Notification must be made to the HBYC business office prior to 2 PM Thursday for the upcoming weekend.
- All PWCs must have the inspection tag attached from the LGPC at the beginning of the season prior to the first launch.
- PWC will be launched and docked on Friday morning by HBYC.
- PWC must be returned to same location by owner after weekend use.
- PWC will be returned to trailer and stored on Monday at the latest, by HBYC.
- PWC will be stored in HBYC barns when not in use.
- PWC will be stored on owner's trailers.
- Owners will provide a minimum of 2 dock lines.
- Covers will be removed when launched and stored in PWC (Member responsible to accommodate space for cover).
- Covers will be put back on prior to storage if available to staff.
- Keys will be stored in the PWC.
- Owners must notify HBYC staff if PWC is removed from property.

***All rules and operations may be adjusted or changed from time to time by HBYC staff***
